“ *My Beautiful Auntie Petra! Your voice was of love and kindness, but the look of love in your face will always warm my heart! The last time I spent with you was so precious and your knowledge you shared with us is a treasure. Annette thanked me for FaceTime with you because we absolutely love our Auntie Petra. Gramma Lita was waiting for you with open arms to give you her thousands kisses in paradise with your other family members. Thank you for teaching me how to be a loving caring Auntie to my nieces and nephews. I will forever love you and will see you again with the others in paradise. Love your Jo-Ann always! I will cherish the gift you gave me that day !*

“ *Petra Zamora Gonzalez, my mother, was a hard working woman who had three children: Linda, Julie, and John. She raised her children alone without any help from their father, my dad, or help from any one else.*

She suffered great loss in her life, but the hardest was losing two of her three children: first her youngest child and only son, John (Punky) passed on February 1, 2016, then 42 days later she lost her eldest child, Linda on March 13, 2016. I am her only child left.

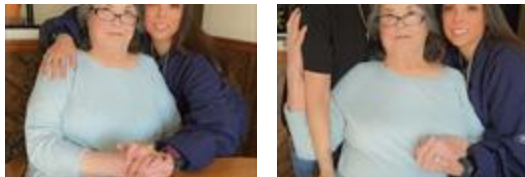

My mother was a wonderful person of great faith who was and is loved by all who knew her. She was a very strong, dedicated, and an intelligent person. My mother is my hero!! She taught me to be strong, work hard, put God and family first above all.

Today my mother is well and she will be well forever and ever, praise God! 🙌🙌 I will miss her but know I will see her again. Our separation is temporary. So I ask my Lord, Jesus Christ, to let my mother know her middle child, who she called, "My babygirl, Julie", loves her, misses her, am so happy for her being in Paradise, and will continue to be the strong woman she taught me to be. 🙏💖
